## EMBRACE THE CHANGE

Rediscover your confidence and comfort! Clinical studies show that pre, peri and post-menopausal women taking **Lady Prelox® Menopause** experienced noticeable improvements across a range of symptoms after just 8 weeks of daily use.

Symptoms included tingling extremities, itchy skin, electric shocks, gum problems, burning tongue, digestive issues, incontinence, bloating, weight gain, muscle tension, headaches, joint pain, irregular heartbeat, change in odour, allergies, tender breasts, irritability, anxiety, depression, brittle nails, hair loss, sleep disorders, fatigue and memory lapses.

## YOU DESERVE TO FEEL GOOD

**Lady Prelox® Menopause** contains a patented blend of science-backed ingredients proven to enhance sexual function:

1. **Pycnogenol®** French maritime pine bark extract, backed by 40 years of research, supports blood flow and nitric oxide production for increased sensitivity.
2. **L-Arginine & L-Citrulline** Amino acids that work in synergy to boost nitric oxide, improving circulation and arousal while helping to lower your blood pressure.
3. **Rosvita®** is a patented rose hip extract with potent antioxidant properties that helps support mood and psychological wellbeing.

### EACH CAPLET CONTAINS:

L-Arginine HCL	400 mg
L-Citrulline	400 mg
Rosvita®	100 mg
Pycnogenol®	40 mg

## ENJOY MORE SATISFACTION

**Lady Prelox® Menopause** is backed by clinical studies showing significant improvements in sexual satisfaction for post-menopausal women.

- Within just 8 weeks, both pre- and post-menopausal women reported noticeable relief from vaginal dryness and pain during intercourse.
- Post-menopausal women experienced further benefits after 8 weeks - including increased desire and arousal, with arousal intensity rising by an impressive 210%.
- Significant reductions in sexual discomfort and pain were also reported by post-menopausal women after 8 weeks.

**Lady Prelox® Menopause delivers real results for women who want to enjoy every stage of life.**
