## READY ANYTIME

### Seize the moment

- Only 5% of the men with compromised erections showed that taking L-arginine alone for one month had an effect.<sup>1</sup>
- The following month, **80%** of these men **experienced restored erectile function** when taking the **Prelox®** blend of Pycnogenol® and L-arginine.<sup>1</sup>
- **Restores endothelial function impairment**.<sup>1</sup>
